

## Construction News | Pacific Avenue Pedestrian Crossing Improvements

### Construction Begins

On **Monday, March 12**, the City's contractor will start work on the Pacific Avenue Pedestrian Crossing Improvements project. This project will install pedestrian crossings, including pedestrian refuge islands, on Pacific Avenue at the intersection of Devoe Street and at the intersection of Lansdale Road.

### Potential Impacts

- At least one lane of traffic in each direction will be open during construction. Travelers should expect lane restrictions and traffic delays during construction.
- Access to driveways that are in the immediate area of the project locations may be temporarily disrupted at times during construction.
- Flaggers will direct motorists and pedestrians through the construction area.
- The project is expected to be complete by the end of April 2018.
