About The Co-op

The Olympia Food Co-op is a not-for-profit, member owned, collectively managed natural foods grocery store. More than 80 staff people share responsibility for operating 2 stores in Olympia. The organization is governed by a board of directors, who are elected by the membership (See the Co-op's bylaws for more info).

Work at the Co-op is busy, fast-paced, and physically demanding. Much of the work is self-directed, and must be carried out in a crowded, hectic environment. The collective management structure is one where every Collective Staff person is expected to participate in the decision-making process, and everyone assumes responsibility for the overall operation and welfare of the business. The Collective Staff and the rest of the Co-op organization make group decisions by consensus. This is a process where all participants work to develop decisions together. All participants receive training for this process.

INCLUSIVE RECRUITMENT

The Co-op's hiring process incorporates procedures and practices that attempt to remove barriers to classes of people who are oppressed or are denied power and privilege in society generally. These classes of people include (but may not be limited to) people who are discriminated against based on race, sex, religious creed, age, disability, size, sexual orientation, gender orientation, marital status and economic status or history. We welcome feedback and ideas concerning our efforts to diversify.

HIRING PROCESS

The Co-op always accepts applications, whether we are currently hiring or not.

Applications are reviewed by a staff collective Interview Team. New applications are reviewed monthly, and all applicants will be notified whether or not they are selected for interviews. Applicants who receive first interviews are then notified whether or not they have been recommended and approved as finalists by a committee made up of staff and board members. Finalists remain "active" for twelve months from the date of their first interview and will be considered for second interviews when openings occur.

APPLICATION SUBMISSION PROCEDURE AND TIMELINE

To apply, complete all steps of the application checklist. The application must be completed in its entirety to be considered for an interview. Paper applications must be single-sided. Applications can be submitted in any of the following ways:

- ⇒ In person at either store by giving the application to a staff member.
- ⇒ By US mail: Olympia Food Co-op Hiring, Attn: Hiring, 921 N Rogers, Olympia, WA 98502
- ⇒ By email: hiring@olympiafood.coop. Please send as an attachment. PDF preferred.

Applicants will be notified by the end of the month following the month that the application was submitted. For example, if you submit your application any time between April 1st and 30th, you will be contacted by the end of May.
